

BREAST CARE

New Patient Checklist

Checklist of items to bring to your appointment

- Complete all forms attached.
 - All breast imaging reports from the last three years
 - CD of breast imaging from the last three years.
 - These can be obtained by calling the facility that performed your imaging. The facility will put your images on a CD for you. You will have to pick-up the copy to bring to your appointment. There is usually a 48-72 hour turn around time for radiology to provide you the CD.
 - If you have a recent diagnosis of breast cancer, please have your pathology slides sent to our office. You can do this by calling the center where you had your biopsy/surgery done and asking them to mail it to our office.
- **If possible, please fax all reports prior to appointment**
- **All reports can be faxed but all CD's and pathology slides must be mailed or brought to the office at the time of your appointment.**

Breast Center Locations

150 Park Avenue 2nd Floor, Florham Park

P: 973-404-9945 F: 973-436-4413
